

Mission Statement

Purchasing is a Division of the Office of Financial Management and Budget Department. The mission of the Purchasing Division is to economically procure materials, supplies, equipment, and services by conducting fair and open competition within applicable Florida Statutes, Wellington Ordinances and Resolutions.

Our website is designed to provide suppliers with the information needed to do business with Wellington. We encourage you to view the “Current Solicitations” page to retrieve bid documents, plans, bid tabulations and awarded contracts.

We hope that this site will prove valuable and will assist in making your business experience with Wellington an efficient and pleasant one.
